Reports:

Zone Championships

As there was no zone coordinator for a report to be given, Diane Levy from the Little Athletics NSW office, coordinated the 2014/2015 Mid South Coast Zone Championships and put a brief report together. In addition to the details about entries, attendance, program times, protests, first-aid and officials, Diane stated the following:

“Lots of rain in the week leading up to the event, but the venue was fantastic. It must have very good drainage!

Rain came down prior to the first event on the Saturday but luckily no rain during the event. The sun came out and dried the ground. Kiama LAC prepared the ground very well – it was one of the best grass tracks that I have seen.

There were fifteen (15) zone records broken. (B7 Shot Put, B9 Discus, B12 Discus, B12 Javelin, B17 800m, B17 1500m/w, B17 3000m, B17 Discus, B17 High Jump, G9 70m, G9 60m/h, G14 200m, G14 800m, G17 Discus, G17 High Jump)

There were no sport rage incidents and no major injuries.

There continues to be a distinct lack of qualified officials in this zone. Once again it was necessary to call parents “over the fence” to assist at both track and field events. As usual we had problems acquiring timekeepers and place judges.

It was fantastic to see that only 30 athletes didn’t attend the zone carnival, after having entered.”

Finance

As there has been no zone treasurer for the past season, Craig Scott kindly put together the following financial report, with the assistance of Graham Nash. Craig also provided a copy of the zone asset listing.

“During the 2014/2015 season, due to the lack of a Zone Co-ordinator, the Mid South Coast Zone did not operate with an elected Treasurer. However the previous Treasurer, Graham Nash, kindly agreed to maintain the account for the duration of the season. This report covers the period up to 14 May 2015, at which time bank reconciliations were finalised.

The Profit and Loss Statement for the period shows total income of \$4,113.33 with expenses of \$1,356.45. This provided a positive result of \$2756.88 for the season. However income totalling \$1,380.00 for line marking paint should be offset by the cost of purchasing this paint last season. Consequently a more accurate result is a \$1,376.88 profit for the season. The detailed Balance Sheet for the reporting period shows a balance of \$24,169.80. A total of \$3,410.34 is held within the cheque account with the remainder of \$20,759.46 invested in a Term Deposit maturing 18 August 2015.

The detailed Balance Sheet, Profit & Loss Statement, Deposit Detail and Cheque Detail are tabled and open for review”.

Moved Mitch Terry (K), seconded Howard McGarry (LI), “that the zone report and treasurers report be accepted”.

CARRIED.

Election of Officer Bearers:

Kerry explained how important it is to have a supporting team behind the zone coordinator; more hands make light work.

Kerry thanked both Matt Hayes and Howard Vandervord for their nominations for the position of Mid South Coast Zone Coordinator, and for their overall interest in the zone. Unfortunately, due to personal reasons Matt has subsequently withdrawn his nomination.

Matt Hayes spoke to the centre representatives in attendance, thanking everyone for their help and support over the past year while learning from Craig about the position of zone coordinator. Matt advised that he really enjoys athletics and being a part of his centre and the zone, but as his family is moving to Bega for new employment positions for both he and his wife, he will no longer be able to be considered for the position of Mid South Coast Zone Coordinator.

Howard Vandervord also addressed the meeting and confirmed that he was extremely interested in the position and is happy to take on the role, if elected.

Zone Coordinator

Two nominations were received, however as one was withdrawn, only one nomination was presented for voting; Howard Vandervord.

Chantelle handed out ballot papers.

Vote was unanimous: 6-0

CONGRATULATIONS HOWARD on becoming zone coordinator for Mid South Coast Zone until the next scheduled election in 2016.

Zone Secretary

No formal nomination was received for the position of zone secretary.

Nominations were called from the floor.

Michelle Moroney and Tracy Mandavy self-nominated to share the role of zone secretary.

Moved Michelle Moroney (SB), seconded Patrick McPhillips (AP), "that Michelle Moroney and Tracy Mandavy share the position of zone secretary".

CARRIED.

Congratulations Michelle and Tracy on becoming the zone secretaries.

Zone Treasurer

No formal nomination was received for the position of zone treasurer.

Nominations were called from the floor.

A self-nomination was received from Steve McConville.

Moved Steve McConville (S), seconded Michelle Moroney (SB), "that Steve McConville be elected to the position of zone treasurer".

CARRIED.

Congratulations Steve on becoming the zone treasurer.

It was agreed to put forward an additional position on the zone committee, that of 'Grand Prix Coordinator'. Centres will still enter their own teams and the coordinator will simply make sure everything is true and correct, as well as order the trophies etc.

A self-nomination was received from Craig Scott.

Moved Craig Scott (K), seconded Steve McConville (S), "that Craig Scott be elected to the position of grand prix coordinator".

CARRIED.

Congratulations to Craig Scott for becoming the grand prix coordinator.

General Business:

Zone Championships – Host Centre

The offer of hosting zone was given back to Milton Ulladulla as they were unable to host the championships last season. They will however require help with some equipment as they don't have enough hurdles. St Georges Basin has offered to lend their hurdles.

Milton Ulladulla accepted the offer to host the 2015/2016 Mid South Coast Zone championships.

Date: 12-13 December 2015

Entries close: 29 November

Entries to: Howard Vandervord

(The entry form will be placed on the Mid South Coast Zone website)

Region Championships - Host

Lake Illawarra put a motion forward to not have the region hosted as a zone, but as an individual centre, as they feel it would be more beneficial for the centre financially, given the host centre does the majority of the work.

Mitch Terry spoke against this motion, and the need to keep it run as a zone, as its less pressure on the centre individually, as there is more help from other centres.

Patrick McPhillips also spoke in favour of keeping it run as a zone, as not every centre can host region, so it would be unfair for those centres to not ever make any money. If it is run as a zone, it is beneficial for everyone.

Moved Pat McPhillips (AP), seconded Mitch Terry (K), "that the mid South Coast Zone continue running the Region Championships as a zone". Vote was 5-1.

CARRIED.

Expressions of interest in hosting the 2016 Region 4 Championships were put forward by both the Lake Illawarra and Kiama centres. Discussion followed on the possibility of a rotation system similar to zone.

Moved Pat McPhillips (AP), seconded Michelle Moroney (SB), "that a method of rotation from those centres who are able to host region be developed next year, for all future occasions when the Mid South Coast Zone is host of Region" Vote was 4-2.

CARRIED.

Moved Steve McConville (S), seconded Kevin McGarry (LI), "that Myimbarr Community Park, Wattle Street, Flinders (Lake Illawarra's ground), be the venue for the 2016 Region 4 Championships"

CARRIED.

Date: 13-14 February 2016

At the next meeting in June, centres will discuss zone funds.

Zone Assets

It was discussed that Craig Scott will keep the zone assets until the zone championships and then they will be given to Howard Vandervord. This was agreed by all as a sensible idea as there won't be any double handling.

Zone Administration Levy

Moved Kevin McGarry (LI), seconded Steve McConville (S), "that the zone admin levy remain at \$1 per athlete per centre."

CARRIED.

Zone Meetings

Zone meetings to be kept as the 4th Monday of the month.

Dates for future meetings are:

29 June
31 August
26 October
30 November

Kevin McGarry suggested that the meetings rotate to various venues (north and south of the zone), however this was not supported by other centres.

The meetings will continue to be at Bombaderry Bowling Club. Steve McConville will book the dates on behalf of the zone.

LANSW Annual Conference

Kerry encouraged attendance at the LANSW AGM and Conference and how it is beneficial to each centre. Representatives were urged to talk to their committee members to see who would be willing to attend. The closing date is 19 June.

Centre Paperwork

A reminder that all paperwork (affiliation forms, paperwork order forms, AGM minutes, Annual Reports and Financial Statements) are due to the LANSW office on 31 May.

General Business (from the floor)

St Georges Basin asked if they could change one of their Grand Prix events from walks, as they do not have anyone qualified to do this event. Craig Scott advised that this is more difficult to do than it sounds.

Chantelle Grills and Kerry O'Keefe agreed to speak to Cheryl Webb (LANSW Coaching & Development Administrator and former Olympic race walker, now coach) to see if she could conduct a race walking clinic on behalf of LANSW for St Georges Basin.

Craig Scott mentioned the zone website and asked if this was still required. All agreed it was and were happy for Craig to continue updating.

It was advised that Timing Solutions would be at Kiama Leagues Club on 18 June, so centres are encouraged to go along if they are interested in getting Timing Solutions software. Chantelle Grills will be sending an email to all centres regarding the information nights.

Kerry O'Keefe spoke about the new rule changes for this year being that U9 athletes can only can do the scissor jump in high jump (not the fosbury flop) and this will extend to U10 from the following year. The U11 girls and boys can also now do the javelin (400g).

Kerry O'Keefe thanked everyone for their attendance and their support to Howard Vandervord as the new Mid South Coast Zone Coordinator.

The meeting closed 9.15pm.
