Albion Park

Albion park little athletics club now has 253 members which is an increase of approx 25 members from last season. We had a very successful gala day at which 13 records were broken and was well attended by athletes

from the Illawarra,south coast,and Sydney clubs. We entered 19 teams in the state relays and were very successful winning the mixed 4x100 m in the u8,9,10,11,13 &17's and coming 2nd in the u12 ,& 14's as well as winning a silver medal in the u 11 4x400m. Our u11 mixed 4x100m team also broke the state record by over a second and actually ran faster than the boys team who won the u11 age group in the the male category. We have done a roster for our club duties in the marshalling area at zone and Brett White a former president of our club has volunteered to be the other long and triple jump chief with me for zone. We have had some major difficulties with the timing solutions program for our recorders and hopefully after talking with Nick from timing solutions we have now fixed or are in the process of fixing that problem. See you all at Zone. Cheers Rick Watkins. President. APLAC
