Hi everyone, please accept my apologies for missing tonight's meeting. I am in Sydney Children's Hospital with my daughter this week. Please call or Facetime me if you like.

Firstly, congratulations to the centres that have hosted carnivals this season. Our athletes have thoroughly enjoyed themselves and come away with lots of medals, PBs and smiles. Special mention to Shoalhaven for the relays at the end of the day – these were very fun!

Our competition has unfortunately been cancelled the past 2 weeks. Once due to a severe fire danger and the other for very poor air quality. The fire danger rating has closed our track to training several times in recent weeks. I have questioned council on this closure, and been told that the track is now unsafe under these circumstances due to the bypass works and only one entrance/exit now available. I have raised my concerns regarding these closures and zone. I am awaiting a response from the relevant officer. I will chase this up when I return from Sydney.

APLAC sent 2 junior and 5 senior teams to the state relay championships. The kids were very successful winning 1 gold, 4 silver and 2 bronze medals. We were very proud of our kids and the great teamwork and sportsmanship demonstrated on the day.

Our zone entries have closed. I am in the process of finalising and will send to Tracy in the next few days.

Zone:

We have sent invites to the mayor and members of Parliament for zone. No response from any of them.

We have booked security for Friday and Saturday, please let your members know they can set up tents on Friday.
