### Zone Co's Report

With the Region Championships done and dusted all in all as this was my first as Regional Coordinator, I thought that it ran very smoothly, and we haven't received any complaints from centers at all. Would like to thank Craig Scott especially for all the work he did behind the scene in the lead up to this event. Overall there were Three records broken over the weekend U17/G Triple Jump, U11B Discus and U15B Discus.

In closing I would like to thank all the centers within this Zone for all their hard work and effort put in, in the lead up to this event and over the entire weekend.

### **Zone Co's Zoom Meeting notes from 24/8/2020**

The NSW Health Dept. and Police will be making random visits to Centres during the season so please keep your COVID-19 plan up to date as things change.

Ask Centres if they are having trouble getting their plan up and running if you have problems Contact the LANSW office for help.

Each Centre must function during this season no matter what otherwise they will be classed as being wound up and the Association would prefer this doesn't happen.

Centres are encouraged to use the QR code, so please download the App as it is a lot easier for families to use.

There will be no LA's Championships before Christmas 2020.

No Zone or Regional Medals.

The Association is working on some form of carnival to qualify athletes for State this season. Relevant information should be available by October.

There will be no Registration refunds this season.

Any Centre needing support during the season don't hesitate to call the office.
