The Albion Park Club apologise to Carol for their behavior at Lake Illawarra.

Kiama

The Kiama Centre currently has 136 athletes registered. This is a 39% increase on last season but still well down on our pre-COVID numbers.

We have been back in action for three (3) weeks following the Christmas-New Year break. As is normally the case at this time of year numbers are down but we are confident they will pick up as people return from holidays and school resumes.

Our congratulations go to the Albion Park Centre on a wonderful Zone Championships. Kiama had some excellent results at Zone which led to twenty-two (22) athletes qualifying for the Region 4 Championships at Griffith this weekend. We have elected not to run competition on Friday 3rd February due to the number of Committee members travelling to Griffith.
