Centre Reports

Albion Park

Our AGM was held 26th June after a postponement. We were lucky enough to have Bec Newton come and assist in chairing the AGM. We have our Executive Committee elected and a couple of new General Committee members we are currently putting into roles with quite a few general positions still to fill. We had a successful school carnival season hosting 19 school carnivals and the Mid South Primary District carnival. We have been liaising with Council and they have agreed in the off season to remove all the old, damaged timber seating around the perimeter of the track and upgrade to new aluminium bench seating across the front of the clubhouse building with the hope of more tiered seating down the track. The finish line will also be ripped up and replaced with the new tiffuff turf, a hardier variety to withstand the wear and tear better. Regos up and running with 25 registered as of lunch time today.

Kiama

Kiama Little Athletics has recently assisted with six (6) School Athletics Carnivals conducted by Kiama High School, Gerringong Primary School, Minnamurra Primary School, Shoalhaven Heads Primary School, Kiama Primary School, and Sts Peter & Paul. The Centre also provided IT support in the form of database preparation and online results for the Tongarra District Athletics Carnival held last Thursday.

Preparations are well in hand for 2023-2024 season. Online registrations opened on 1st August. Our season will commence on Saturday 9th September.

Athletes pay \$10 to enter. This will help to cover cost of hosting Region. All Centres agreed.
