Feedback from the day was positive with a large number indicating that they will be returning in 2022 or indeed for the October Carnival later this year, we will be looking at our program and making changes to the starting time.

The biggest age group on the day was the under 11 Girls with 45 Athletes Registered
Our Season is still continuing and although the numbers are low after the Christmas/New Year break, but the athletes are still enjoying it.

We have already started booking in schools to use our timing gates and school carnivals are slowing coming in through council, we are hoping to maintain the level support for our local school as we have in the past.

We extend an invitation to Albion Park Athletes that want to compete this Friday especially the Under 13-17 who may want to get an extra qualifying session in, we are looking at talking to the 13-17 Age group and see what events they want to do over the next few weeks to maybe gain a better qualifier for state.

Kiama

15th January they return
