### **Centre Reports**

#### **Shoalhaven**

We have 160 registrations now with everyone waiting to get started.

It has been confirmed that a new school will be built on the land next to the oval being the agricultural farm with nil confirmation as to whether the track will go.

Details regarding the lighting grant to be sent out to the other Centres.

#### **Milton**

Nil.

#### **Kiama**

The track has been prepared and we are ready to with our first meet of the season this Friday.

Once again Senior Football wanted to discuss the need to remove the fence inside the track.

Eventually the fence came down albeit later than it usually would.

Registrations currently sit at around 70 which is disappointing. COVID has really had an adverse effect upon us over the last 18 months.

#### **Albion Park**

100 athletes for their first night.

Great first night back.

#### **Lake Illawarra**

First collection night when well.

Season starting on the 5th November 2021.

We have 122 athletes and 34 Trialists. A lot of our normal athletes haven't registered as yet, but have indicated that they are returning.

We feel that we have lost a huge amount of momentum from the school carnivals that we hosted, and the lockdown has affected our season's registrations.

Summer Carnival Entries are coming in. We have around 90 athletes already. We are looking at 500 for this season and will be adjusting last year's program to hopefully not finish as late. Can Centres also open up registrations via ResultsHQ. If you are unsure how to do this email Kevin McGarry.

We have organised for Steve's Mobile Pizza to come to Zone. Families may want to order a pizza during the day to take home with them. They are great and homemade.

Club has secured funding to replace our hurdles. If any Centres want some old hurdles please let us know. \$5.00 per hurdle (transport at own cost). There will be about 50 hurdles.

## **St Georges Basin**

Our first night was last Thursday.

99 registered with 30 trialists.

Council is paying for a second line marking before Dragon Derby

## **General Business**

### **Zone**

Zone Shirts have come in at just over \$5000 and need to be sold ASAP.

We need to take money from the term deposit to pay for the shirts.

Why were shirts ordered without the total cost being considered?

A new email will be created for the Zone Treasurer so that correspondence is not missed.

One night of security \$528.00.

Flowers \$100.00. Craig to call to see if anyone is attending.

Lunches \$300.00.

The 500g Javelins (2 Off) need the grips replaced. Craig will repair them. Howard to get them to his house and Craig will pick them up. The 2kg Shots (2 Off) are egg shaped. One of the 400g javelins has a bow in it.
